

Injury Management & Recover at Work Policy

Version: 1; Adopted: 22 FEBRUARY 2019

1. Intent

This policy aims to provide a framework that ensures the health and safety of Council's workforce, preventing work related incidents and meeting our obligations both morally and legislatively. Council aims to implement practices and procedures to ensure a healthy and a safe working environment and assist injured employees to recover to full health and normal duties as quickly and safely as possible

The objectives of this policy are to:

- Create a workplace culture that prioritises health and safety over operational needs
- Ensure compliance with the Work Health and Safety Act 2011 & Regulation 2017;
- Ensure effective systems for monitoring health of workers and workplace conditions;
- Provide efficient and effective injury management strategies
- Deliver appropriate and meaningful recovery at work principles.

2. Scope

This policy applies all employees of Brewarrina Shire Council.

3. Framework

Council strives to achieve a harm-free workplace that prevents incidents through a rigorous and systematic process of risk identification, mitigation/control and management and is committed to:

Statement	Strategy
Prevention of Workplace Injuries and Illness	By providing a safe and healthy working environment (as per WHS Policy)
Efficient investigation of incidents	Council will promptly and appropriately investigate all incidents to ensure suitable action is taken to prevent further reoccurrence.
Early intervention of injury management and recovery at work	Facilitate early intervention procedures that will enable injured employees to stay at work or return to work as soon as medically appropriate in lin with the Recover at Work Program Procedures.
Provision of meaningful suitable duties	In order to assist injured workers to return to work in a timely and safe manner Council will offer meaningful suitable duties that align with medical obligations following a workplace injury. The Return to Work Coordinator will be responsible for liaising with relevant parties to determine suitable duties tailored for individual workers
Manage Claims	Efficiently and in an equitable time, Manage Claims consistent with legislatively requirements.
Ensure appropriate Injury	Ensure employees are adequately trained and informed about

Management Training	Council's Work, Health and Safety, Injury Management and Recover at Work policies and procedures including their rehabilitation rights and responsibilities.
Maintain Confidentiality	Ensure all personal information is maintained confidentially and in accordance with legislation requirements.
Ensure no employee is disadvantaged or prejudiced	Council will ensure that participation in a Return-to-Work plan will not, of itself, disadvantage an injured worker. All efforts will be made to resolve disagreements about the Return to Work Program, or its components, through discussion and co-operation.
Return To Work Program	Brewarrina Shire Council has, in support of this Policy, developed a Return to Work Program in compliance with WorkCover Guidelines for Workplace Return to Work Programs 2011 through consultation and agreement with employees. The Program allows employees to be aware of their rights and responsibilities and the procedures that are followed once a workplace injury occurs. The Program forms part of the operating procedures of Council and is consistent with State Cover's Injury Management Program.
Consultation with Workers and, Where Applicable, Unions	This Return to Work Program was developed in consultation with employees and management and allows employees to understand the process that takes place when they are injured at work. Brewarrina Shire Council is committed to consulting with employees, and their union representatives (where requested), on all phases of injury management. Employees will be regularly informed of their rights and responsibilities and Council's policies and procedures in relation to injury management.
